

## The Ultimate Concierge Experience

**Congratulations on your engagement!** As we're sure you already know, weddings are complicated. There are a thousand details, a hundred people to coordinate with, and decisions to be made at every turn. Our goal is to make your celebration as memorable as possible.

We offer customized beverage packages for your reception and other events along with an array of bridesmaid, groomsman, and registry gifts. Visit us online or give us a call to let us know how we can make your most special day even easier.

## Your personal party season

We know that celebrations don't occur on a single day. Let us help you with plans for your shower, rehearsal dinner, or arrival and departure brunches. No matter what the meal or occasion, we're happy to offer personal wine and food pairings.

Start your life together by building your bar or cellar. Our gift registry allows your family and friends to purchase items they'll know you love.

## Bridesmaids, groomsmen, family, and friends.

Regardless of who it's for, finding the perfect gift is essential. Customized gifts, including engraved glasses or flasks, along with bespoke gift baskets are the perfect token of appreciation and celebration.
